

WHY JOIN BALI?

BALI is a long-established trade association providing a voice for landscapers throughout the UK and has strong links with European Landscaping Associations.

We recognize how important training is to the future development of the landscape industry and are passionate for the need to support young people embarking on a career in this exciting sector.

Joining BALI will give you a range of benefits that will not only assist with your studies, but also give a good grounding for employment success in the future.

Entering this BALI category of membership will open an array of networking opportunities, both at a regional and national level.
